Sir:

In response to the Office Action dated November 2, 2001, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims in the following manner.

13. (Three times amended) A large printer comprising:
a sheet feeding area positioned at a height at which a user, who is approximately 170 cm and standing erect in front of the printer, can set up a printing medium without having to bend substantially at the waist,
wherein the sheet feeding area is positioned at the height when the printer is placed
